Engr. Klint Ian V. Austero  
Computer Engineering Department  
College of Engineering and Design  
Silliman University

Dear Engr. Austero,

Good day, Sir. My groupmates, John Vincent Jimar and Nino Olis, and I, Inigo Gonzalez, are writing this letter to explain our absence in the class of CpE 51-A: CpE Practice and Design 1, as we were participating in the Silliman University Junior High School Science Fair 2024.

We wish to request for your understanding in this matter. Thank you so much and we are looking forward for your response, Sir.

Sincerely,

Inigo Gonzalez  
Nino Olis  
John Vincent Jimar
